Hi, Jenny.

Here is the link to the ODF rulebook: <http://www.oregon.gov/odf/privateforests/docs/fparulebk.pdf>.

The references to the 10-foot vegetation retention zone along small non-fish streams are:

- OAR 629-640-0200(6) on page 46.
- Table 5 on page 52.
- Figure 1 on page 50.

Please let me know if you have further questions.

Hi Brad (fyi to Kyle), thanks for the conversation today and for sending the references on the specific areas in Oregon with 10' buffer protections for aerial application of herbicides on Type N streams.
